Georgia O'Keeffe 125th Birth Anniversary

One of the major American artists of the 20th century, Georgia O'Keeffe was known for her painted desert landscapes and paintings of large, oversized flowers. Her first such flower painting, *Petunia #2*, was created in 1924 and gained a good deal of buzz in the art world. What is also unique about O'Keeffe's work is that while she painted nature, landscapes, bones, and city structures, not once did she venture to paint people in all her work. Georgia O'Keeffe was born on November 15, 1887 in Sun Prairie, WI.
