Dear BHS Marching Band Parents:

First, permit me to express the thanks of the entire marching band and staff for your continuing support. Much of the band's success this season is fueled by the support of the families, relatives and friends that cheer the band on during their performances.

We hope you agree with us that the band has earned an evening together to relax, enjoy each other's company, and receive recognition for their many efforts. With this in mind, a dinner sponsored by the Friends of Music has been organized for the members of the 2017-2018 Marching Band.
